Witness/Complainant Statement

I, **S. Dinesh**, aged 36 years, state that on **14 September 2026** at approximately **6:15 p.m.**, I was walking near the fictional junction at Gummidipundi Market Road.

I saw a scooter travelling along the market road and an auto-rickshaw entering the junction. The two vehicles made contact at low speed near the front side of the auto-rickshaw.

Both vehicles stopped immediately. The scooter rider appeared startled but remained standing, and I did not observe serious injury. Minor damage appeared to have occurred to the scooter's front area.

People nearby helped move the vehicles away from the main traffic path. I did not hear either driver make a specific admission regarding fault.

This statement records only what I personally observed. It is provided voluntarily and is accurate to the best of my knowledge.
