Witness Statement

I, **Meena R.**, aged 34 years, residing at a fictional address in Gummidipundi, Tiruvallur District, Tamil Nadu, state as follows:

- On **13 September 2026**, at approximately **8:20 p.m.**, I was waiting for a bus at the public shelter near Gummidipundi Railway Station.
- I noticed a man later identified to me as **Arun Kumar** standing near the side of the shelter. He appeared to be approximately 29 years old, of medium build, and was wearing a dark blue shirt and black trousers.
- The man began engaging in conduct that appeared obscene and inappropriate in the presence of members of the public, including women and children. His actions caused discomfort to me and to other people waiting at the shelter.
- I asked him to stop and behave appropriately in the public place. He responded in an argumentative manner and continued the conduct briefly.
- Another commuter, whose identity I do not know, told the man to leave the area. The man then moved away from the bus shelter toward the railway-station entrance.
- I did not sustain any physical injury, and no property was damaged to my knowledge. I reported the incident because it occurred in a public place and disturbed those present.
- The incident occurred under the lighting of the bus shelter and nearby shops. I believe other commuters may have witnessed the event, and nearby premises may have CCTV cameras.
